Gentlemen.

The survey I wrote
to you about made by
Abraham Lincoln in 1834
was made by him as
Deputy under John Cal-
houn County Surveyor
of Morgan County. Ill.
See pages 115 to 122 vol
1 Life of Lincoln by Nie-
ce and Henry. Calhoun
after went to Kansas
where he was killed
off in the early frontier
in that state and became
known as "Candle box
Calhoun." in election time
Very truly yours.

Messrs S. H. & H. Chapman.
Gentlemen.

Your favor of the
12th duly at hand. If I
were buying any thing in the
line of the John Belcher symphony
I would give you
\$1000. If you will write
Robert Clarke Esq of the
city I think the Ohio His-
torical Society would
like to buy the letter.

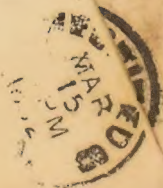

The Lincoln Survey
is unique and very valuable
I am in no hurry to sell
it. I expect to see the day
when it will be worth
\$100000.00 & will keep. I can
put it by and sell it some
years hence on my return from
Europe. I will see you in April
the good night. Yours truly
H. M. Rice.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is written in dark ink on aged, yellowish paper. The script is dense and flowing, with many ligatures and variations in line height. The text is arranged in horizontal lines, with some lines being longer than others, creating a somewhat irregular layout. The overall appearance is that of a historical manuscript or a personal letter.
